CAUSE

The releasee has been supervised by the Southern District of New York since the onset of supervision, due to her residence in the Bronx, New York. On May 10, 2004, Your Honor modified the releasee's conditions to include mental health treatment, as the releasee was experiencing episodes of depression, and was romantically involved with an offender with whom she was instructed to stay away from.

Thereafter, the releasee tested positive for marijuana on March 19, 2004, March 25, 2005, and April 29, 2005. Consequently, the releasee's conditions were again modified on June 16, 2005, to include substance abuse treatment. She commenced drug treatment on May 31, 2005, however, she recently tested positive for cocaine on September 20, 2005 and September 27, 2005.

It is noted that the releasee is scheduled to terminate from supervision on October 30, 2005. On behalf of the Probation Department for the Southern District of New York, we respectfully request that the releasee's supervision term be extended for one year, to afford her the opportunity to continue drug treatment and enhance her chances of rehabilitation.

The releasee has agreed to continue substance abuse treatment, and has voluntarily signed Prob 49, in this regard.

Respectfully submitted by,

  
Yara Suarez  
U.S. Probation Officer

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the proposed extension of my term of supervision:
